Western Hills High School

A Tapestry of Dedication – Mr. Nick Ruggieri

The CATAMOUNT staff of 1972 selected Mr. Nick Ruggieri for the dedication on the basis of fairness. As vice principal, he does not show favoritism or prejudice to any student—treating all student body members equally. Because of this attitude, he has been a dominant force in the development of Western Hills for the four years of its existence.

Mr. Ruggieri came to Western Hills from Arlington Heights where he coached football, taught science, and served as counselor. Prior to AHHS, he was vice principal at Meadowbrook Junior High. Mr. Ruggieri has been in the school profession about twenty-five years.

His family includes a wife, a daughter at Paschal, and a son at McLean Middle School. Mr. Ruggieri's free time is concentrated on sports, travel, and reading. One of his favorite memories in teaching is to see his former students like Mr. Ed Kahler and Mrs. Billie Prince successful in life.

My life is a tapestry
Interwoven with happiness; sadness
Friends; foes.
Woven illustrations of my fondest dreams
Everchanging; sometimes fading
Real; surreal.

I am like a kaleidoscope
My mind senses rotating colors
See; hear; feel.
Angry red; screaming yellow
Passive green; untroubled blue
Black, white; apathetic gray.

A single thread began the transformation
Simple burlap to an intricate pattern
Unknown; discovering.
Progress; back and forth
Faults to unravel; knowledge gained
Ignorance; experience.

Shades of susceptibility
Influenced by mankind
Affect; effect.

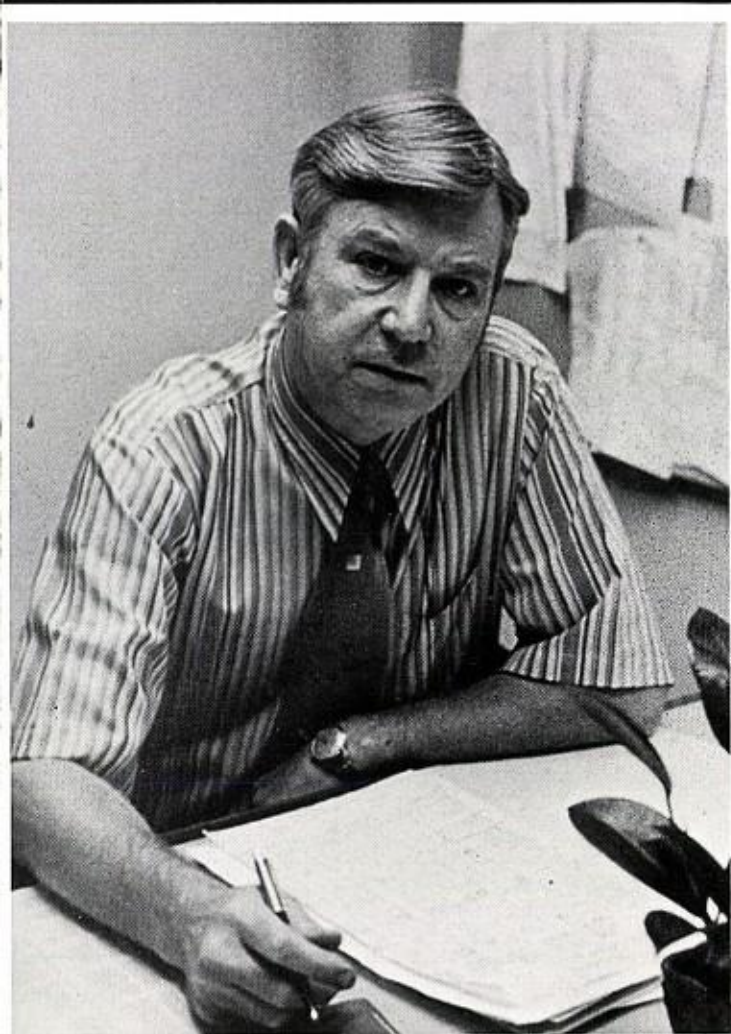

Western Hills; an integral part of my life
My tapestry
Green; gold.

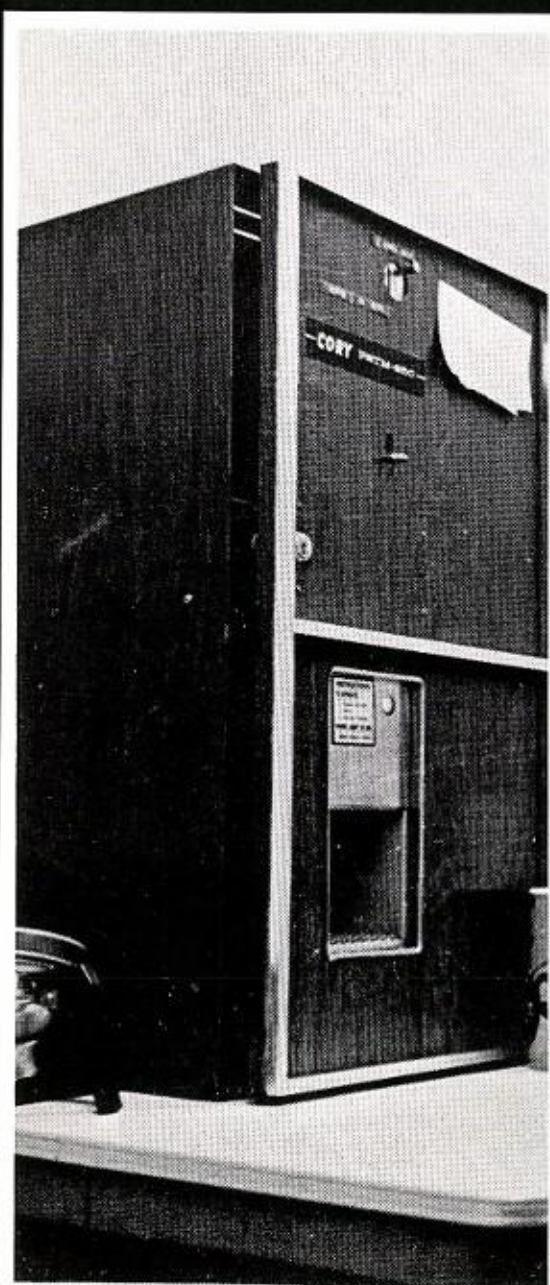

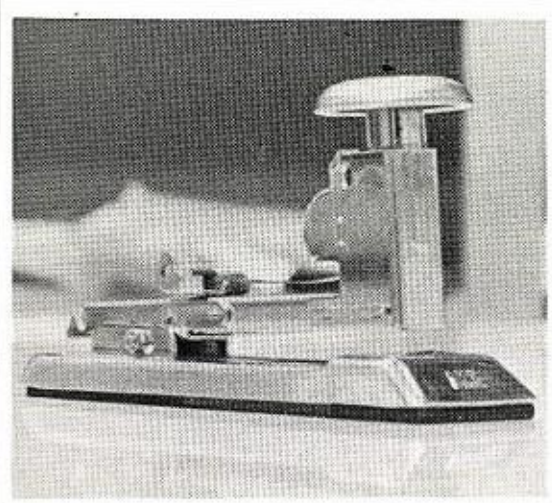

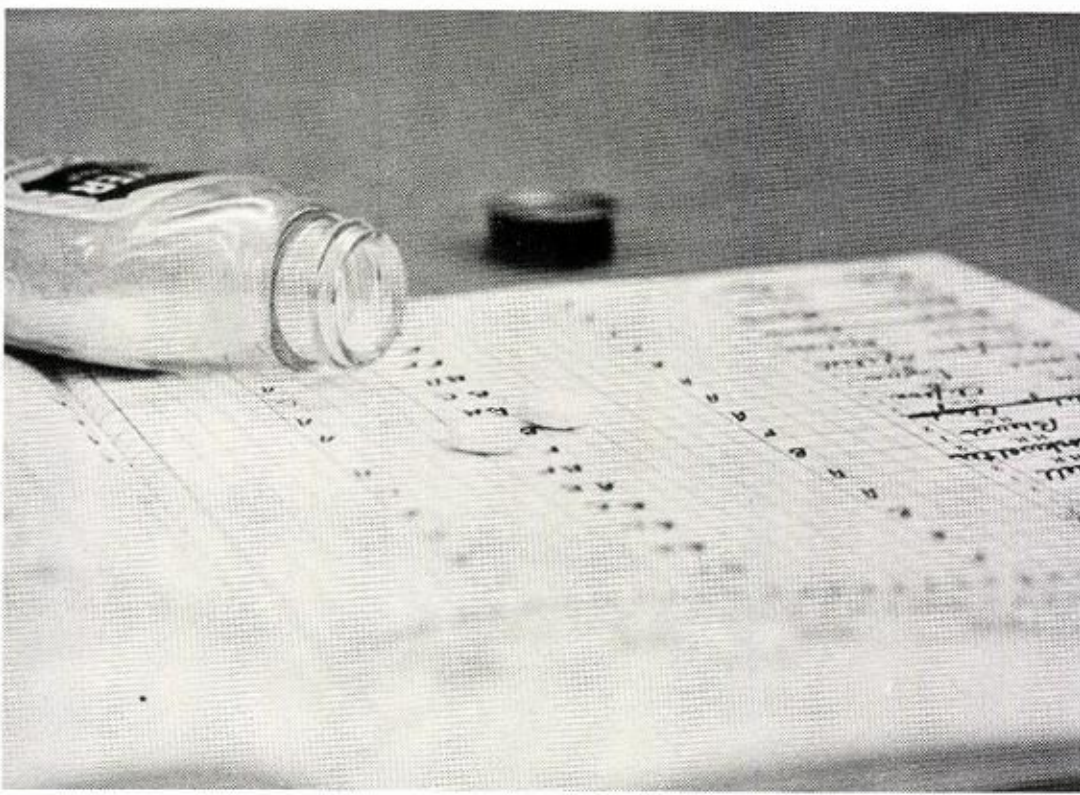

PROFESSIONALS

My tapestry's professionals
Constructing the threads of knowledge
Encouragement; discouragement.
Their words, their actions
Their lives devoted to shaping ours
Incomprehensible; clear.

PROFESSIONALS

Education Led By Concerned Individuals

Education is directed by devoted individuals towards greater advancement. As superintendent of the Fort Worth Public Schools, Mr. Julius Truelson strives to help those who need an education in all schools. Fort Worth School Board members resolve issues confronting the school system. Principal of Western Hills, Mr. P. B. Stovall, shows the value of education by getting involved with students and teachers. Vice-principals Mrs. Frances Alles, Mr. Carl Robinson, and Mr. Nick Ruggieri enable students to strive for the progress of better communication. All of these people working together form an important structure----education.

School Improved by Consideration, Time, Hard Work

Consideration, hard work, and dedicated time are all found in the WHHS office staff and counseling staff. Mrs. Bessie Thomas handles much of the school's business, while Mrs. Madge Prince, answers the daily problems on the telephone. Mrs. Tommie Dodrill and Mrs. Billie Prince help each student with transcripts, substitute teachers, and payroll. Attendance clerks Mrs. Gladys Wallace and Mrs. Sally Carter have a big job keeping the attendance records. Counselors Mrs. Ann Bradley, Mrs. Kathryn Edwards, Mrs. Mary Alice Webb, and Mr. Bill Polson aid in the scheduling of individuals and help the seniors in future planning. School nurse Mrs. Barbara King gives care to students who are ill.

Science Seeks New Goals of Study

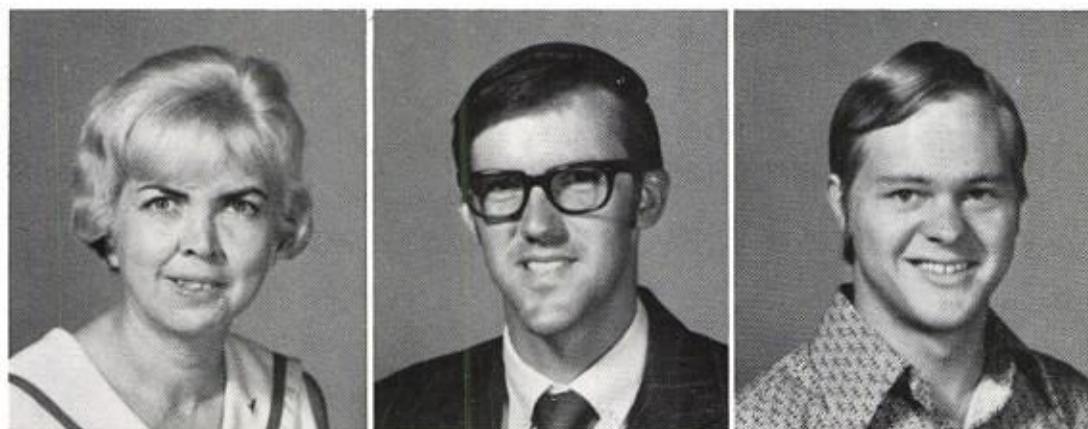

New directions of study are taken by the Science Department teachers to establish a logical pattern of thinking. New members include Mr. Webster Armstrong, Mrs. Sharland Kirkpatrick, Mrs. Gwen Rogers, and Mr. George Sutton. Mr. Lloyd Seely serves as department chairman. Mr. Robert Dixon is sponsoring the Science Club and golf team. Two biology instructors are Mr. Baron Pressley and Mrs. Ruth Amend. Mrs. Mary Shimp is the only chemistry teacher. Mrs. Kirkpatrick sponsors the Clean Environment Club. General Physical Science is taught by Mr. John Stripling and Mr. Kenneth Dryden.

Electricity and plastics are two unique courses offered by the industrial arts instructor Mr. Jimmie Norris. Four other courses are taught by Mr. Jack Bishop, Mr. William Mazy, and Mr. Don Smith.

Communication Broadens Universal Understanding

Communication of the universe is expanded by the addition of six teachers to the Foreign Language Department. These instructors provided the opportunities to look beyond the present situation. Speech, instructed by Mrs. Pam Traw, enables one in the betterment of effective communication. Miss Mary Rehm, chairman of the department, instructed Spanish with other Spanish instructors, Mrs. Carol Roberts and Mr. Kenneth Marler. French was taught by Mrs. Carol Absher and Mrs. Mildred Washington. Mrs. Rebecca Tyndall was the new Latin instructor, while Mrs. Brigitta Brandt taught German.

P. E. Emphasizes Specialized Physical Growth

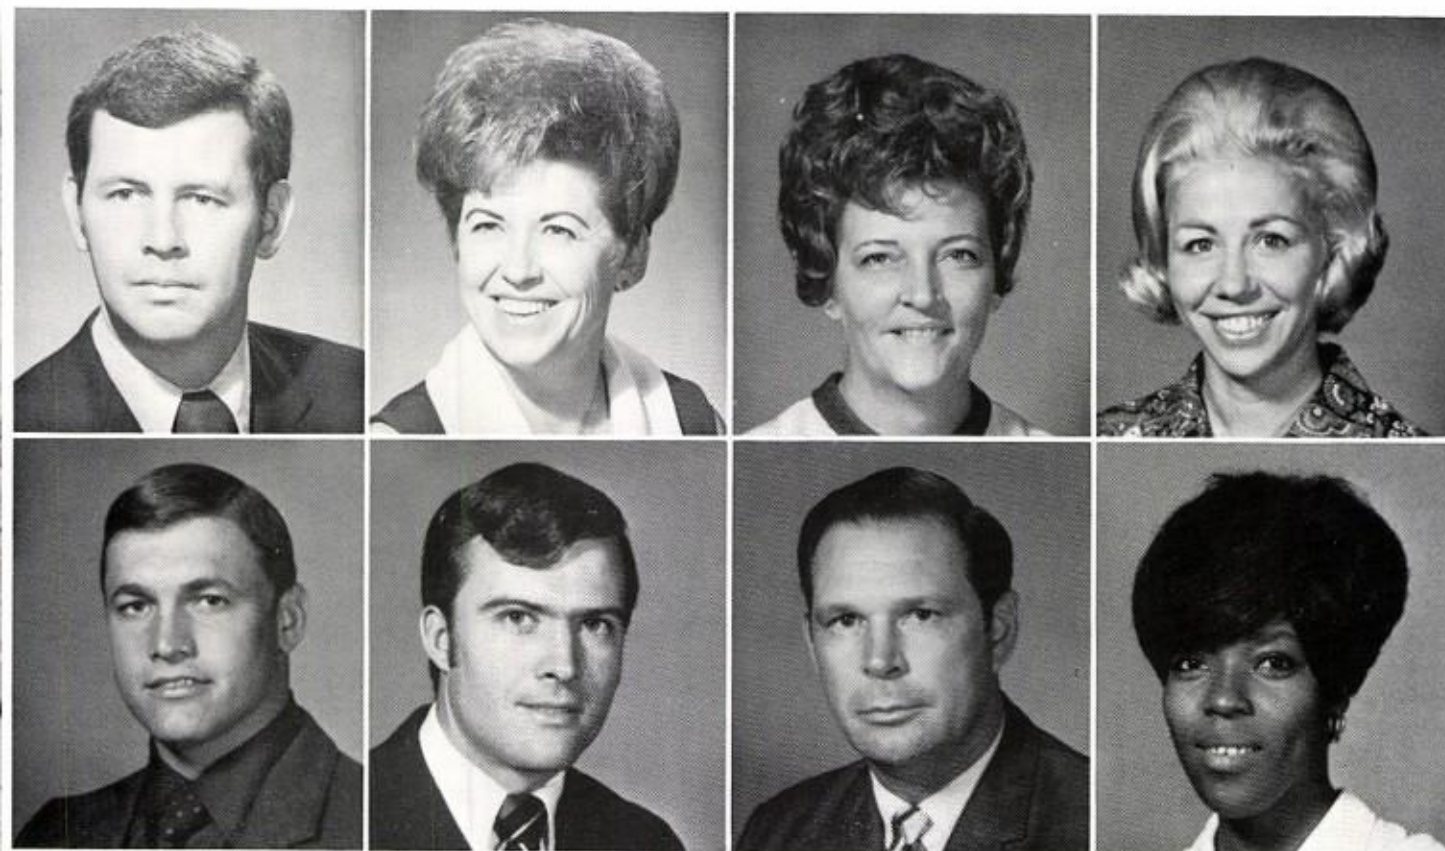

A student's physical growth is stressed through specialized physical education classes. Mrs. Norma Headrick and Mr. Richard Allie were the health teachers for ninth graders. Besides the general P.E. courses, specialized courses in basketball, gymnastics, and tennis were offered by Mrs. Thelma Cole, Mrs. Lea Martin, and Miss Flossie Wallace. Mr. Mike Morris was chairman of the Men's P.E. Department. Mr. Dale Walker and Mr. Hugh Massey teach p.e. and also coach football.

A changing aspect in teaching was shown by Mrs. Marjorie Buhl and Mrs. Alpha Wenzel in the pilot program ACT. Mrs. Dorothy Niesen and Mr. W. B. Cole taught on the basis of thinking on your own. As a part of our coaching staff, Mr. David Helbing and Mr. Ronnie McLain aided in teaching world history. Miss Candice Griffin taught world history; government was taught by Mr. Robert Metcalf and Mr. Thomas Strother. Knowledge Gained by Various Ways of Teaching

Various methods of learning were illustrated by the Math Department. Three new additions to this department were Mrs. Melva Ezell, Mr. James Johnson, and Mrs. Winifred Taylor. Mrs. Mary Barron, Mrs. Frances Coon, and Mr. Ben Standifer used new methods of teaching by employing overhead projectors, special projects, individual teaching, and other reading material. Computer math was taught by Mr. Neil Boyd along with Mr. Edwin Kahler teaching advanced work in math. Mrs. Maurine Mullins and Mr. Claude Little were assigned to a majority of the freshman math classes. Related math, geometry, and algebra were brought out by Mrs. Imogene Williamson and Mrs. Delores Wright.

The eight business education teachers, new and old, were involved in the many threads of a student's life. Mrs. Mary Lynn Foust, chairman of the department, sponsored the activities of the Senior Class. Mrs. Mary Alice Webb, a bookkeeping teacher, was the Red Cross sponsor. Two additions to the department this year were Miss Nancy Hoyl and Mrs. Joyce Williams. Miss Hoyl taught overseas in Germany before coming to Western Hills. Mrs. Williams was a recent graduate of North Texas State University. Mr. Riley Dunn and Mr. Weldon Moody were a part of the coaching staff as well as business instructors. Mrs. Julia Baker introduced a new course to Western Hills this year-business arithmetic. Miss Mary Margaret Monarch, a shorthand and typing teacher, also sponsored the yearbook.

Advanced Teaching Methods Bring Out Individuality

Individuality expresses reliance, endurance, and one's point of view. Team teaching was brought out well by Mrs. Odessa Coultas, Miss Karen Noel, Mrs. Kaymarie McNeerney, Mrs. Linda Prevost and Mrs. Juanita McCullaoh. Aides Mrs. Bettye Gomez and Mrs. Jayne Henry were a part of the English Department. Mrs. Melba Jackson and Mr. Eric Mann collaborated in journalism as well as in English. Mr. Gerald McCombs, an English teacher, approached a new course, aviation, for the first time this year. Mrs. Ethel Davis, Mrs. Winifred Elliott, Miss Donna Grigsby, Mrs. Jan Guess, Mrs. Jane Thompson, and Mrs. Marie Young all contributed knowledge to the English Department.

Service Individuals Stress Need for Cooperation

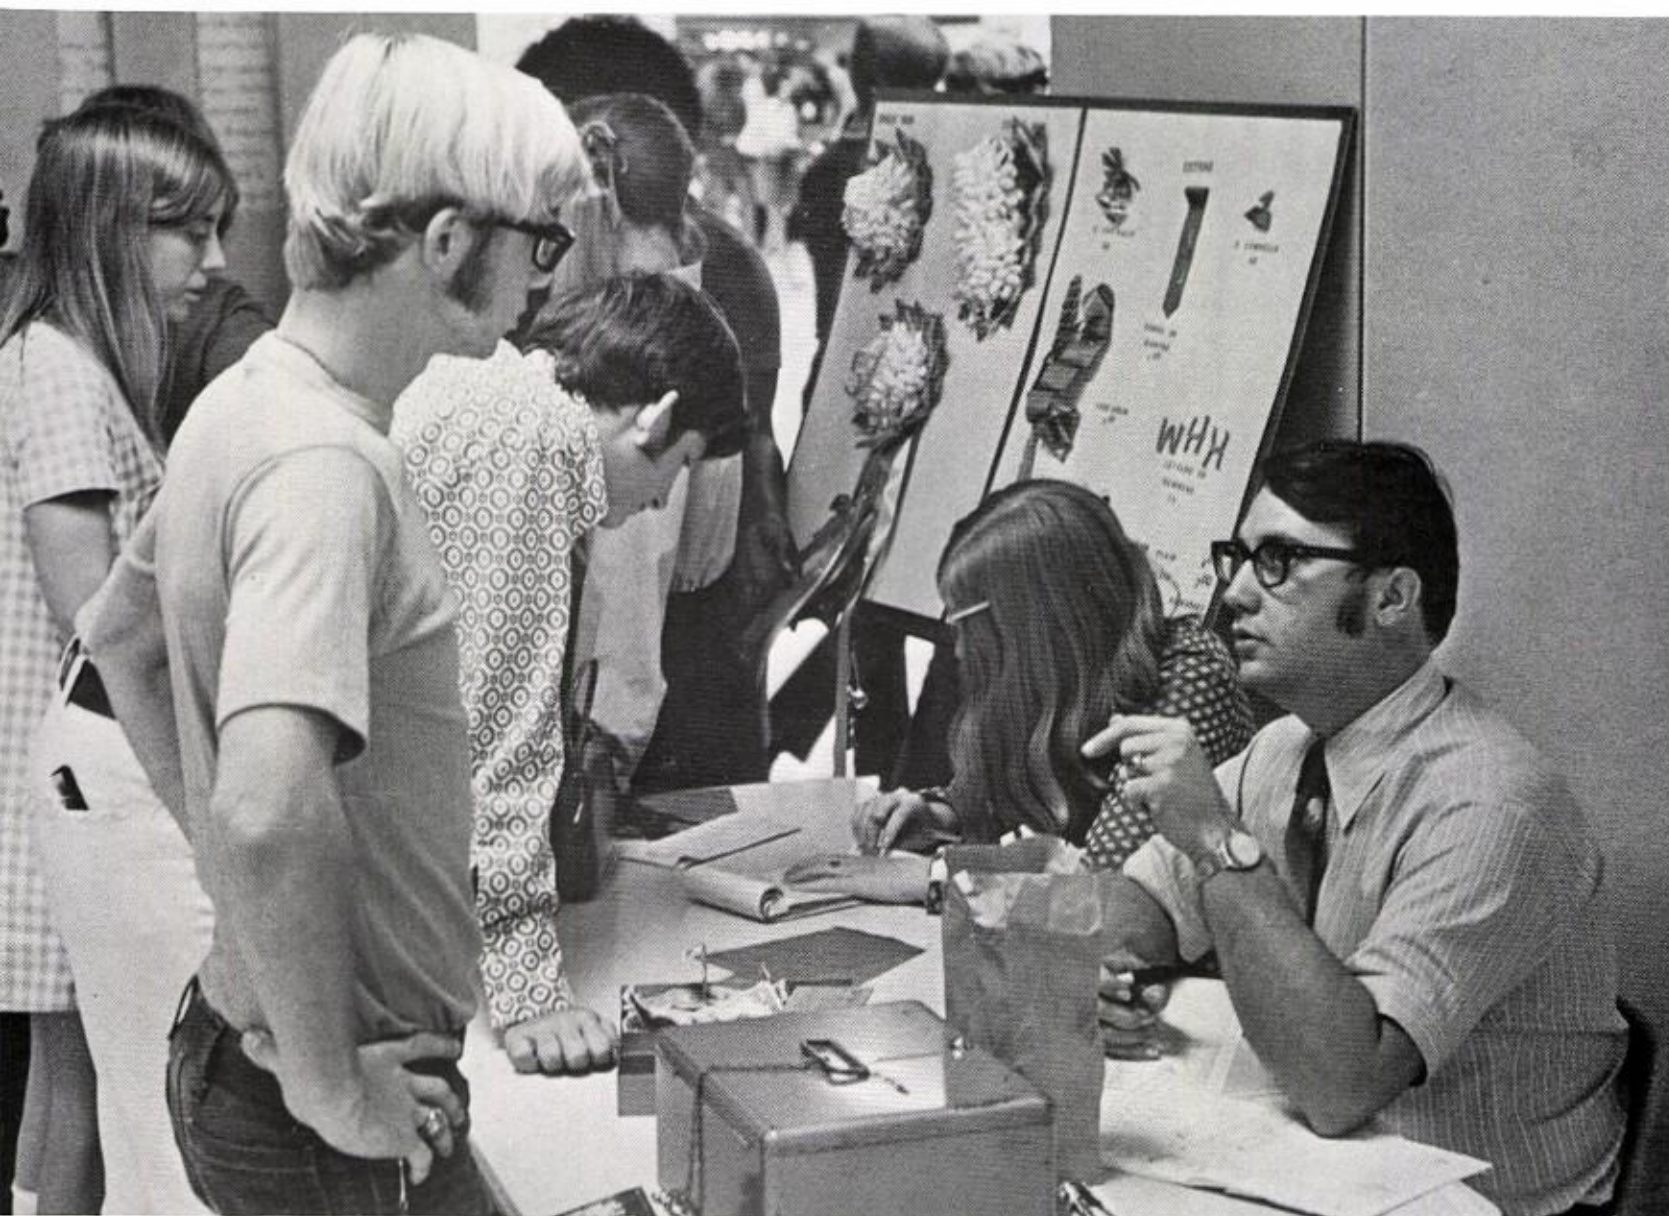

Much time was devoted to our students by the personnel at our school. A new faculty member, Mr. Ulysses Cox, was the director of the ICT Program. Dealing with the field of distributive education, Mr. Thomas Parks supervised this course, in addition to selling tickets to school activities. Mrs. Peggy Herring, with the help of Mrs. Hazel Craig, had the large job of maintaining the school library. Two new additions to the staff were Mr. Edward Trantham and Mr. Frank Jones. They also sponsored school clubs and activities.

Two Staffs Maintain Building

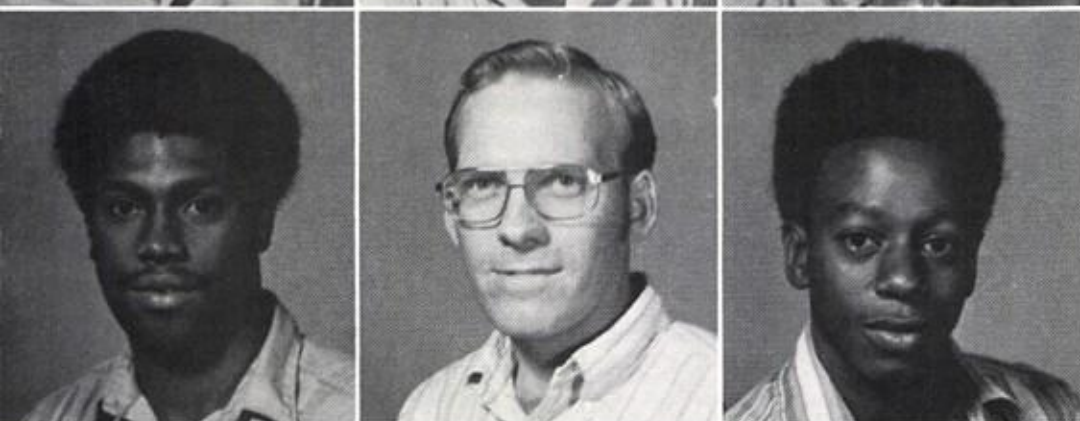

The responsibility of maintaining the school is divided into two crews with Mr. Don Abbott during the day and Mr. O'Dell Sneed directing the night staff. Mrs. Maxine Davis has helped Mrs. Ethel Walker this year since she is new to Western Hills. Mr. Paul Boone, Mr. Charles Phillips, and Mr. Sidney Hardin compose the rest of the day staff. Helping Mr. Sneed at night are Mr. John Klounch, Mr. John Stancoff, and Mr. Bill Wright. Mr. Fritz Neimeyer is in charge of the athletic fields and school yard.

The other service staff of the school is the cafeteria staff supervised by Mrs. Gwen Hampton. Her staff supplies plate lunches and sandwiches during four lunch periods.

Through our lives, guidance is necessary in order to grow as a united group. Student Council, directed by Vernon Rew, plays an important role in school activities. All dances during the year were sponsored by the Student Council, as a service to the students. In December, an appointed committee took charge of the collection for the Good Fellows Fund. Various committees helped establish certain projects such as the selling of directories, the beard-growing contest, and the constitution committee. This year's sponsor of the Student Council was Mrs. Odessa Coultas.

Cheerleaders' leadership initiates enthusiastic spirit. Practice sessions were held this summer along with a five-day cheerleader workshop at SMU. Their abilities were exhibited at the workshop by the ribbons won. Without their dedication, the pep rallies and athletic events would be disappointing. Mrs. Thelma Cole, sponsor of the cheerleaders, has given her time in advising these girls. In all of these individuals, team work exists for the benefit of the school.

Majorettes and Drum Majors Give Leadership to Band

To organize a 96-member band, leadership and teamwork are two major assets to developing a band. The drum majors spent one week at the University of Texas at Arlington at a Drum Major School. Throughout the summer, the drum majors practiced to develop new skills.

Along with the drum majors the majorettes have a large role to fill in order for the marching band to be well-assembled. During the summer, this group of girls practiced one hour each week and also spent one week with the head twirler from TCU.

Freedom of expression is a vital thread to leading a free life in our society of today. The purpose of the WHHS Mountain Line staff was to provide and establish a school newspaper for opportunities in the field of journalism. Sponsors of this year's staff included Mrs. Melba Jackson and Mr. Eric Mann; co-editors were Diane Barker and Roy James.

Various activities of the school were reported in the paper for the benefit of the student body. Along with factual information, cartoons and photography were included in each paper. Editorials employed creative writing, while factual writing was included through interviews of teachers, administrators, and staff members. Another facet of journalism writing, advertisements provided the financial sources for each edition.

Thirteen Staffers Originate '72 CATAMOUNT

The vital role of an annual staff is reflecting the memories of the past school year. The staff of thirteen found teamwork was essential to the production of the CATAMOUNT. As editor, Brenda Masengill directed the staff in the selection of theme, cover design, and dedication. Miss Mary Margaret Monarch and Mr. Ed Curry were the co-sponsors of the 1972 edition.

In the summer, Jean Scott, Brenda Masengill, and Miss Monarch participated in a week-long yearbook workshop at Texas Tech. Susie Harrison served as art editor for the second year. She designed the cover and endsheets.

Autumn Brings Busy Schedule for Students

Many autumn activities provided a chance for all students to get involved. The Band and Spirit Club participated in the Benbrook Parade on October 9. The Band Boosters sponsored the pizza dinner at Open House on October 18. From these profits, they purchased an audio-visual system to tape the band during half-time performances.

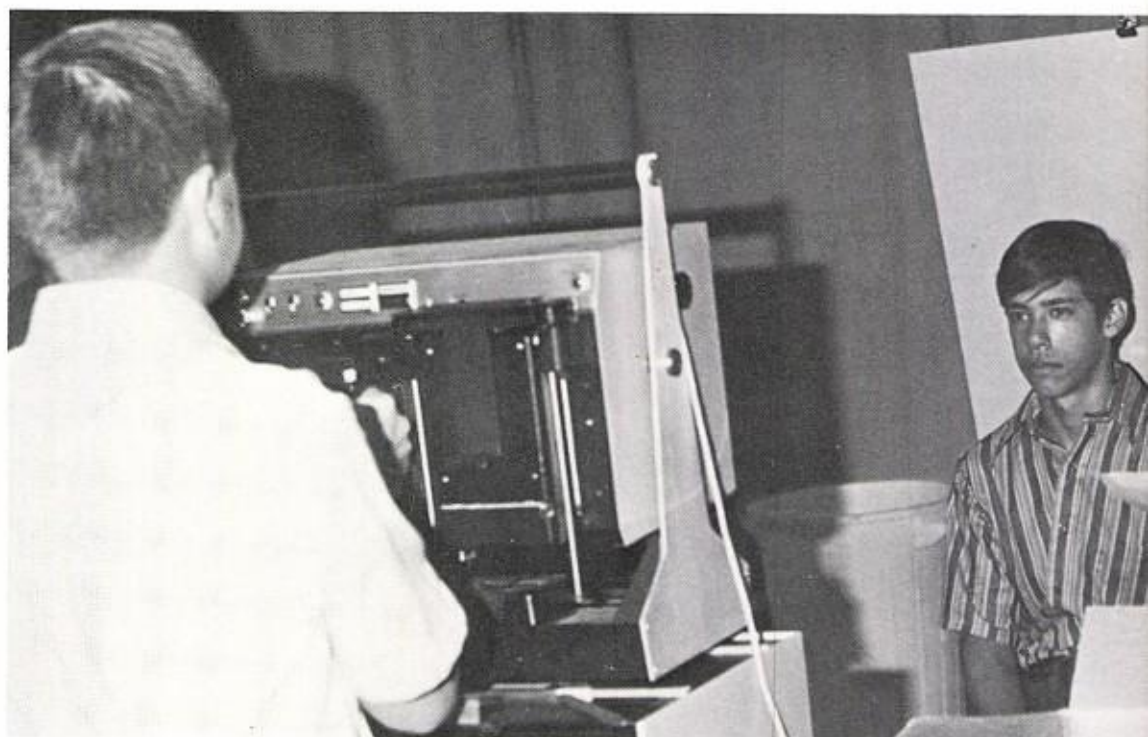

I. D. pictures were taken by Paul Dixon Studios for the second year. On September 30 the rock group Mephibosheth performed during a free assembly.

Congressman Jim Wright visited Western Hills on December 9 to talk about the responsibilities of a congressman. This assembly, attended by seniors only, ended with a question and answer period.

All Roads Lead To Home . . . Coming

Homecoming Week, November 1-5, was filled with a variety of activities. Home-rooms began putting up decorations on Monday morning for the judging on Wednesday. Mums were sold by the band for the first time, and everyone was drawn into the general excitement. The homecoming court was presented at the pep rally on Thursday, and prizes were given to the winning home-rooms in the decoration contest.

The theme of the Saturday night dance, "Remember When", was conveyed by decorations in the cafeteria and halls where jerseys and baby pictures of each player were displayed with "Remember When" quotes. Cougar Capers Joins The Circus

The circus came to Western Hills in the form of the Cougar Capers this year. Two night performances were given on December 9 and 10, and a day performance on December 10 during periods 3 and 7. The program consisted of a variety of acts ranging from guitar solos and line dances to gymnastics and ballet. Don Howard and Lyn Johnson acted as ring masters.

Winter Dance Goes Informal

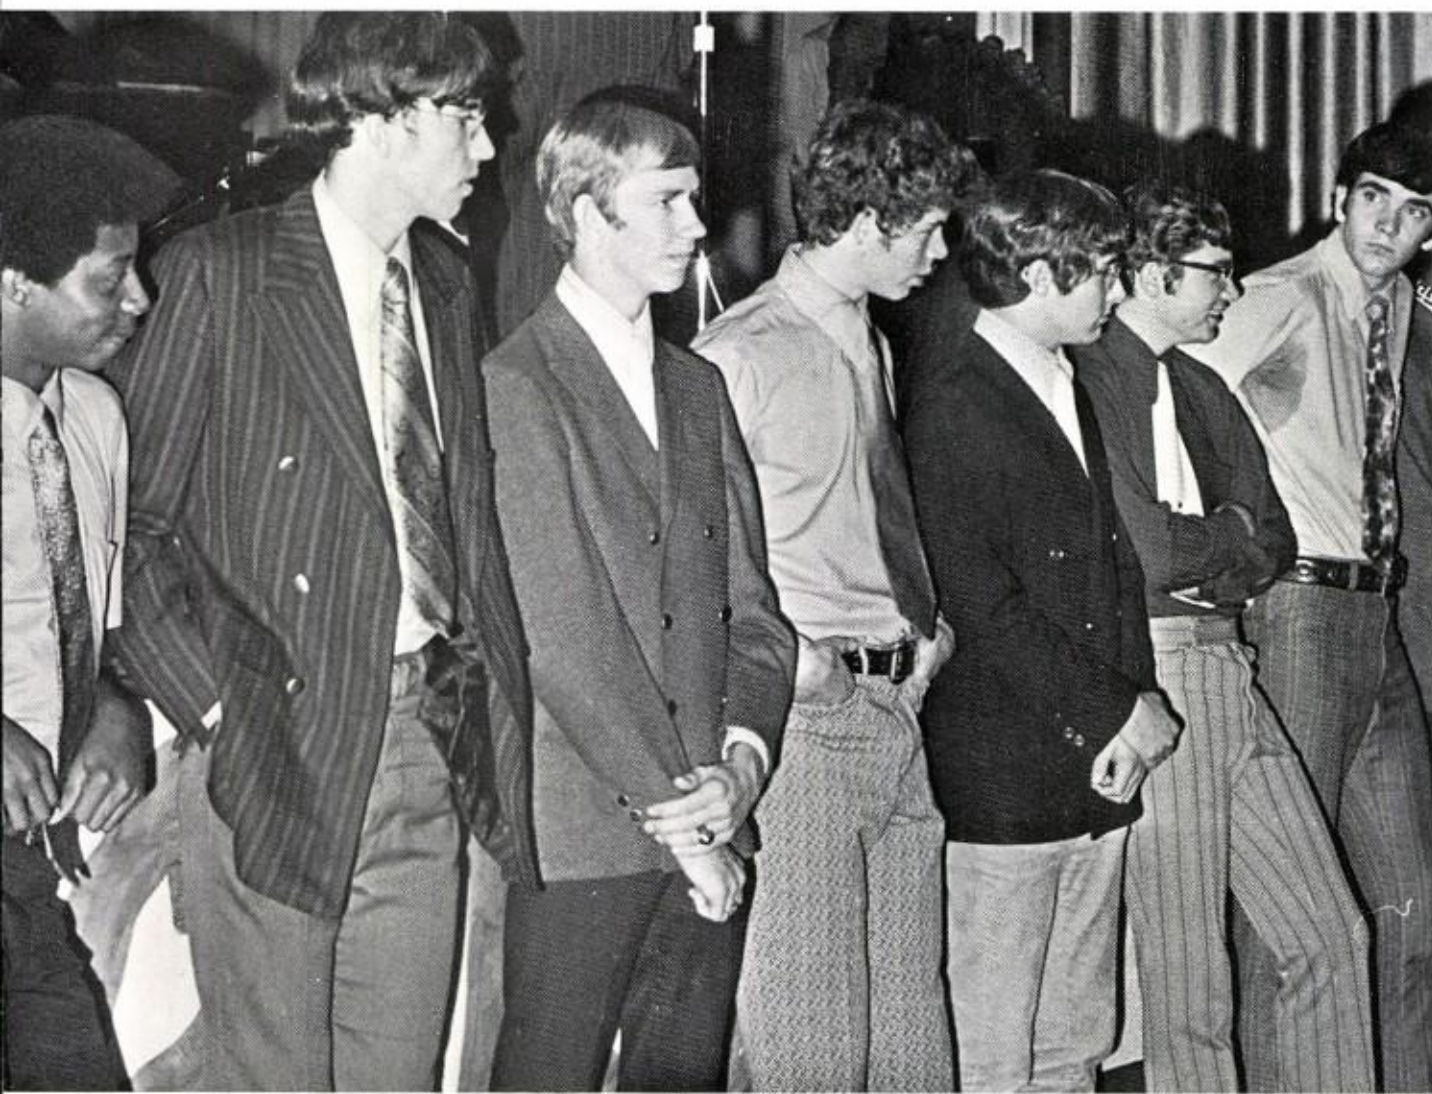

The Christmas Dance changed its name to the Winter Dance and went informal this year on December 11. Dance committee members decided on the change to spare wallets after the beating they took during homecoming. Two groups, Brick Window and Instant Groove, performed to please the different tastes of the dancers.

"Jingle Bells" and "Rudolph the Red-Nose Reindeer" were at the top of the charts in Hills' halls the week before Christmas vacation. The front hall found the added attraction of a Christmas tree and many rooms were decorated with holly and mistletoe. The chorus and orchestra teamed up to add a flavor of variety to traditional carols for the Christmas program on December 16. The stage band accompanied Mark Tatum in a modern interpretation of "The Night Before Christmas."

Mr. Paul Mazzacano directed the band and several members played solo parts.

Winter Activities Stir School Enthusiasm

The Christmas lull was brought to an end by the beginning of district basketball games. The Public Schools Gym became the sight of many exciting games and boosted the spirit lost during Christmas vacation.

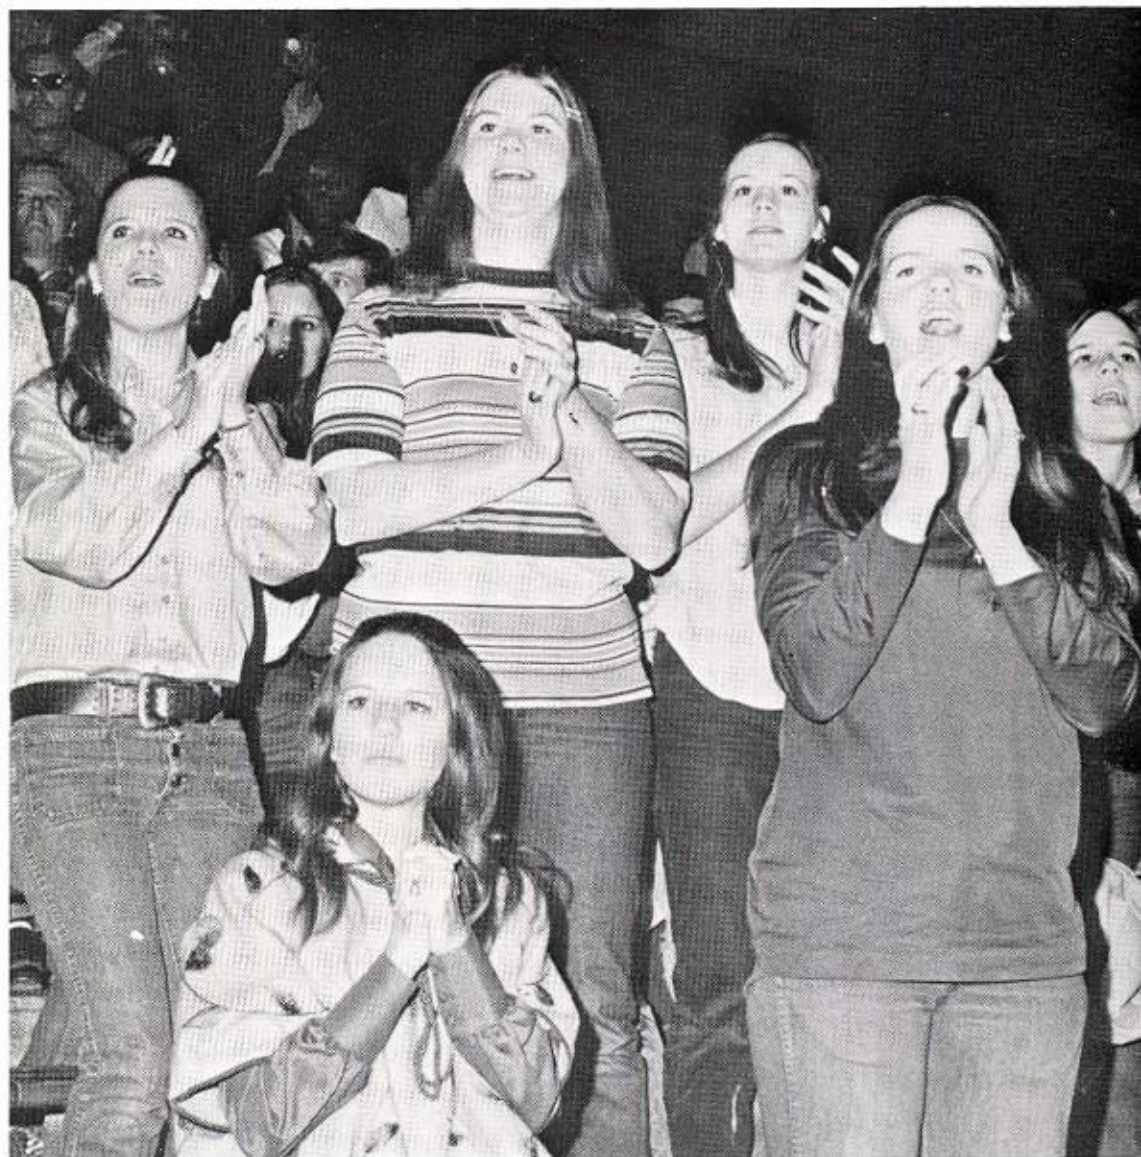

The beard contest was held again this year with Scot Wilks pulling in first place. Western Day fizzled out with the weather, and the scheduled program was cancelled.

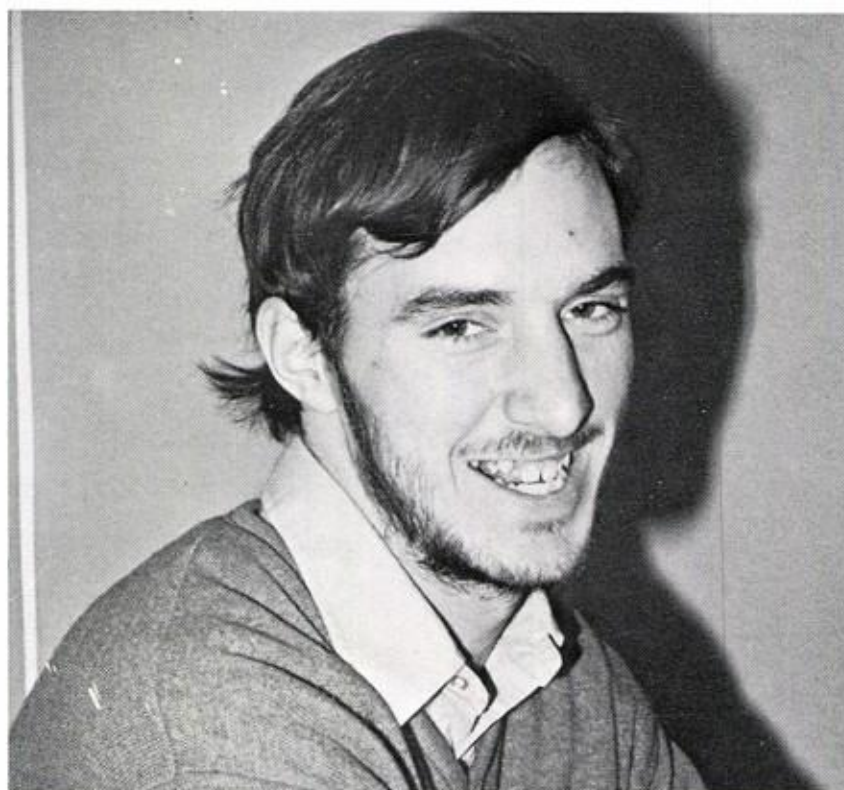

The government classes had a voting machine in their rooms and were practicing for this year's elections. A special assembly featured concert pianist Coleman Blumfield in a classical music appreciation program.

Participation in activities not included in the regular school schedule gave students a chance to become involved and to be good citizens. The Clean Environment Club worked to beautify our school by planting trees out front and cactus in the cactus beds. Large, lacy valentines with sentimental thoughts and poems helped to carry out the theme. The P.T.A. provided refreshments and several senior girls acted as hostesses.

Loyalty, Skill Developed with Coaches' Advice

Western Hills was involved in a hard fought game against the eventual 10-4A champions North Side. With the 12-8 score, this was the closest the Steers came to being beat in the district race. The hard hitting defense caused several turnovers, but the offense was unable to cash in. Wesley Anderson had most tackles for defensive lineman and Joe Bratcher was the outstanding offensive lineman.

The Cougar's chances for repeating a third straight district championship were greatly dimmed as they were turned back by Paschal. Mike Dunsworth did an excellent job at running back as he picked up 88 yards. Bill Killip was outstanding offensive lineman in the 18-13 loss. Wesley Anderson repeated as outstanding defensive lineman.

Western Hills was defeated 28-0 by a much faster Jacket team. The Cougars were fired up at the first of the game but the injuries they had suffered throughout the year were starting to show. Matthew Macha had most tackles for defensive lineman. Bill Killip was outstanding offensive lineman.

Cougars Experience District Record of 1-4

Western Hills and Carter both went into the game looking for their first district win. Hills came out on top 27-0 in front of a homecoming crowd showing a much improved offensive attack. Pat Horn and Ronald Beasley combined for 170 yards rushing as Beasley and John Malmberg took two touchdowns a piece. Bill Killip repeated for the third straight week as outstanding offensive lineman. Kirk Dinkins had most tackles for top defensive lineman.

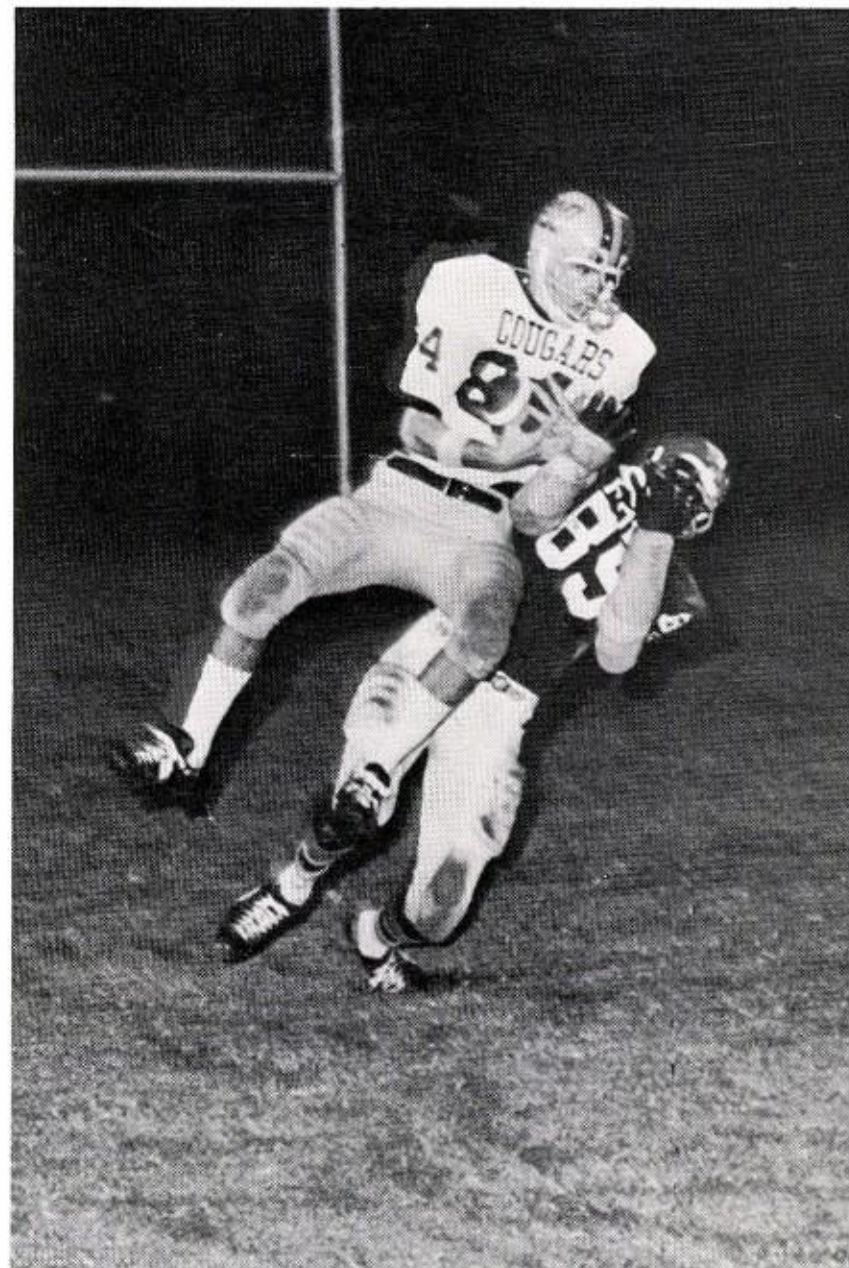

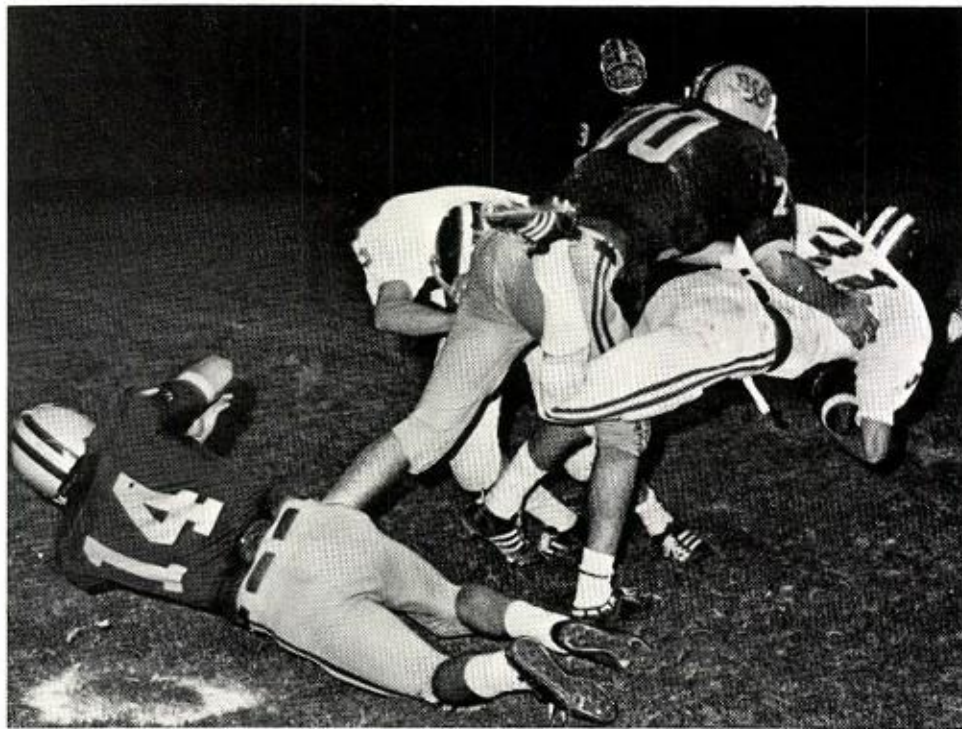

The Cougars closed their season against Southwest, but this game didn't determine the district champion as North Side had already clinched it. Ronald Beasley was leading rusher with 60 yards, but the offense only managed to put 7 points on the scoreboard. Southwest earned 17 points as the Cougars closed out district with a 1-4 record.

Nineteen Lettermen Give Promise to '72 Season

With the return of 19 lettermen, the Cougars are looking toward a better district and season record. Injuries in each game caused numerous replacements throughout the season. The offensive and defensive backfields will be strong with returning wingbacks, fullbacks, and quarterbacks. After suffering district defeats to North Side, Paschal, Arlington Heights, and Southwest, Western Hills will start spring training in May to build a stronger team for 1972.

New Course, Uniforms Promote Tennis Teams

The girls and boys tennis teams were able to enroll in a first semester tennis course this year. With this additional practice and new tennis uniforms, Western Hills can now claim another spring sport.

The girls tennis team, coached by Mrs. Lea Martin, participated in matches with Weatherford, Arlington Heights, O. D. Wyatt, Garland, and North Side. The ten members practiced from 2-5 p.m. at the WHHS Courts and the McLeland Tennis Center.

The boys team, composed of seven members, had practice matches with Weatherford, Garland, Azle, Arlington Heights, and North Side. Coached by Mrs. Thelma Cole, the team shared facilities with the girls team.

In only its second year, the cross-country team finished in third place, two points behind the second team. In 1972, the team grew to full athletic status and participated in 2-mile races in Richardson, Arlington, Lewisville, Dallas, and Fort Worth.

During training, the team practiced two times daily for seven days. In August, the team ran over 2,500 miles averaging 100 miles per week.

The top seven members were Mike Boyle, Mike Carr, Chris Dills, John Childress, Greg Allen, David Devine, and Robert Plumlee. Junior varsity members were Ronnie Bankston, Phil Reeves, Mike Chadwick, Joe McCormick, and Charles Roth. Two freshman standouts were Jake Ingram and Nick Scorcio.
